

THE ENDLESS SUMMER BEACH BAND is an amazing party group, with a cool California look and sound. For a memorable evening of SUMMERTIME FUN (regardless of the season), this is definitely the band that you want for your party. Suitable for many venues including car shows, festivals, special events and fairs.

Leader Craig Ruhnke first made his mark on the Canadian scene in the 70's, with his hit recording SUMMER GIRL, a song that is still played on many radio stations. Disc jockeys dubbed him THE CANADIAN BEACH BOY.

Ruhnke has shown his abiding affection for rich layered vocal sounds and upbeat musical harmonies. "I have always loved to play the music that I grew up with... the sounds that evoke warm and carefree days and endless summer nights".

In addition to recreating the BEACH BOYS sounds of sun and surf, ENDLESS SUMMER performs the greatest hits from the most popular acts of the past and the present. All of your favorite hits are represented including: The Four Seasons, The Bee Gees, The Beatles, KC and The Sunshine Band, The Temptations, Earth Wind and Fire, Van Morrison, Jan and Dean, Roy Orbison, Buddy Holly, Jerry Lee Lewis and many, many more.

EVERY ENDLESS SUMMER APPEARANCE
CREATES THE FEELING OF
