## DOUG VARTY'S 'Havin' a Party' The Ultimate Tribute to ROD STEWART

It takes a special kind of performer to create the voice and stage presence of Rod Stewart, the timeless vocalist known for hits like “Hot Legs,” “Forever Young”, “Twistin' The Night Away” and “Do Ya Think I’m Sexy.”

Doug Varty is that performer.

Just like Rod, whenever he performs, Doug Varty makes the stage (and the surrounding area) his playground, interacting with the crowd, dancing, and singing to audience members. “It's about creating something special, something memorable. Rod's the minister of fun, and he knows how to show an audience a good time. That's what I do.”

“I love doing the Rod Stewart show – re-creating Rod, the ultimate front man. He pours his heart and soul into every song. He's always in motion. He reaches out to people, and that's what I do. It's truly exciting, keeping that energy all the way up.” Doug says. “He's a born entertainer, very mischievous, always up to something.”

Does he look like Rod Stewart? There are some fans that think it's really “him”. “When the hair's up and I've got those black trousers on, watch out!” he quipped. You'll recognize Stewart's soulful rasp, his trademark outfits and swaggering stage moves when you see Doug Varty's “Havin' A Party”.
