

WAKIN' UP THE NEIGHBOURS *BIOGRAPHY*

...featuring Doug Varty.

It takes a special kind of performer to create the voice and stage presence of Bryan Adams.

The early hits such as Summer of 69, Cut's Like a Knife, Kids Wanna Rock to the later hits Please Forgive Me, Everything I Do, Straight from the Heart, Can't stop this thing we've started. Doug Varty is that performer.

Just like Bryan Adams, whenever he performs, Doug Varty makes the stage (and the surrounding area) his playground, interacting with the crowd, dancing, and singing to audience members. "It's about creating something special, something memorable. He knows how to show an audience a good time.

"I love playing Bryan Adams. He has so many wonderful songs. I was singing them long before I took on the Bryan Adams character. With my musical training and years of experience playing a tribute to Bryan came quite easily.
